BLACK HISTORY MONTH

ALMA THOMAS INSPIRED DOOR BY CHS ARTISTS!

- Alma Thomas was the first student to graduate with a fine arts degree from Howard University.
- She taught art to junior high school students for over three decades.
- She had a late start in painting. She started painting primarily in her 30s. "Creative art is for all time and is therefore independent of time." She was greatly inspired by space exploration.
- She was deeply invested in a project of beauty. "The use of color in my paintings is of paramount importance to me. Through color I have sought to concentrate on beauty and happiness, rather than on man's inhumanity to man."
